

Dear Glyn and David,

Please can you forward this email to all of your volunteers,  
thank you.

We seem to have a little Christmas present for our fantastic  
The Arts Society volunteers:

All going well, all the Portrait Medallion records and photos will  
be going live on the V&A 'Search the Collections' website at  
some point **this week!**

We are really excited about this and I want to take the  
opportunity to thank you dearly for your fantastic work. You've  
recorded about 1,400 objects and you can be very proud of  
yourselves. We never would have been able to do this without  
you.

In the new year we will start with the wax medallions (fear not,  
there will be plenty of help and advice) and behind the scenes  
we are busy preparing the next project which will be a very  
exciting one.

Have a wonderful Christmas with all your loved ones and we  
are looking forward to see you back next year,

Rebecca, Lucy, Gaye and everybody at the World of Wedgwood
