Lisa Henderson: Landscapes

9 March - 9 June

Exhibition Launch

27 March, from 6pm

Lisa Henderson is originally from Cardiff but her art and practice is closely linked to the West Midlands and Staffordshire, where she has lived since the 1970s.

This new exhibition features paintings, drawings and collagraphs inspired by wild and natural landscapes and includes a new Cannock Chase series, inspired by the seasons. The landscapes of Wales, Scotland, New Zealand and imagined ‘other worlds’ are also represented in the show.
