

Newstead Abbey

The Home of Lord Byron

Saturday 7th June 2025

A new experience for our Society to visit the extraordinary home where Lord Byron lived and ran his very full life. You will see the highlights of his home and learn about his achievements as a dedicated guide to take us through the Abbey. The Abbey is set in beautiful and extensive grounds with a large lake and five very different large gardens to explore; there will be ample time to visit these through the afternoon. There is an indoor/outdoor cafeteria ready to cater for lunch; choosing from a menu on the coach journey will save queuing. A feature that appeals to many of us is that we shall travel by coach, leaving Leon's at 9.30am ensuring relaxation all the way!

(One word of warning - there are stairs to negotiate in the house itself.)

It was encouraging to see the interest shown straight away after this visit was announced, so we have pleasure now in giving you the simple details you need to book.

Simply register your booking at visitsbymichael@gmail.com
return the form by email, or by post to Innisfree, High Street Church Eaton ST20 0AG;
Pay the fee of £ 42.00 p.p. by cheque or preferably to the Societies account:
'The Arts Society Stafford' Sort code 40-52-40 Account 00060352
as soon as you can to avoid disappointment, but by 20th April latest please.

We look forward to the pleasure of your company.....
